Notes

Tree species have been identified to the best of the surveyors knowledge. Critical trees should be checked by an arboriculturist.

Where underground services are shown it is advisable to check these details against statutory authority records before proceeding with any design.

All information contained in this drawing (including digital data) should be checked and verified prior to any fabrication or construction.

Grid co-ordinates are based upon the Ordnance Survey. Levels are to local datum

Grid co-ordinates and levels are based on a local grid and datum
